Masai School, Bangalore  
Aug 2022 - Aug 2023

### Bachelor of Arts (BA)

Siliguri College, Siliguri  
2019 - 2022

## WORK EXPERIENCE

**Equitysoft Technology, Ahmedabad** Sep 2023 - Present

**Role: MERN Stack Developer**

### Key Responsibilities

- Designed and developed four admin panels and a landing page to enhance user interaction and experience.
- Developed all the admin panels from scratch using ReactJS, ensuring high performance and scalability.
- Created a JavaScript bridge to enable enhanced interaction between the Android app and WebView.
- Implemented advanced features such as dynamic layouts for blogs and case studies, nested comments, and photo/video posts.
- Integrated APIs to enable seamless CRUD operations, enhancing data management capabilities.
- Designed and optimized the admin panel for improved mobile responsiveness, ensuring accessibility across devices.
- Utilized Redux for state management, resulting in a 25% reduction in code complexity and a 15% increase in team productivity.

## Projects

### Quora - Clone

#### Github

- Replicating popular Quora.com website, (question-and-answer website) where people can ask and answer questions on a wide variety of topics.
- It is a collaborative project of four members which is completed in four days.
